District 5150
Chartered April 22, 1946

Greetings Fellow Rotarian Susan Howell,

Exciting things are happening! Last week, we had our committee breakout meetings. Each Committee reported their plans for the next six months. Some of the highlights for our club activities for the upcoming months are: car raffle sales, international committee fundraiser for the Uganda well, breakfast and dinner for Casa de Redwood, dictionary distributions, KIVA funding with high school group, vocational and community lunch at the park we built and so much more! Looking forward to my last 5 months as president with all the fun projects going on!

Special thanks to Past President, Gary Chow, South San Francisco and District 5150 Committee Chair for presenting to our club on the Rotary Cruise for a Cause, about his position with the district and how he could help the committees in our club. Remember for the Rotary Cruise for a Cause's \$100 deposit (to make a reservation) only lasts until February 28th. Afterwards, it's 20% of the cabin cost (see the below flyer for information). However, it is still refundable until the final payment date and it doesn't change the overall cost of the cruise.

This Week's Program - Tae Kim

Tae Kim is a certified physical fitness trainer and specializes in soft tissue physical therapy-- primarily for injuries. He will talk on the benefits of trigger point therapy and will have a live demonstration of how it works.

Next Week's Program - Joe Wiegand as Theodore Roosevelt

Joe Wiegand, a veteran Rotarian, twenty-three years, who is transferring from his Monteagle-Sewanee, Tennessee Club to on near his new home in Solana Beach, CA, will be gifting our club with a program in character as Theodore Roosevelt. This will be a presentation you wont want to miss and a perfect time to bring a guest. More information on Joe Wiegand [here](#).

News and Events

Greetings Fellow Rotarian Susan Howell,

Thanks to Tae Kim of *healstrength for his presentation on Soft Tissue/ Strength Training.

I may be the first Rotary President to lead a meeting while getting Myofascial Trigger Point Therapy. I have been pain free in my shoulder after only 15 minutes of this therapy - cant wait to go in. Remember they are offering a free 50 minuted consultation - just call 510-435-2779.

Message from Chris Gallagher

District Governor 2014-15

District 5150.

So what was the first question Tom Brady was asked after winning the Super Bowl? "Now that you have won your 4th Super Bowl where are you going?" He answered "I am going to Disneyland!". And he did and Mickey & Company had a parade for him and the team. They pulled out all the stops. So that's what I want you to start saying to all your club members - Whose going to Disneyland for the District Conference? This is your time to celebrate all your club's achievements etc.

Speaking of Achievements - I am attaching the Awards criteria again. Remember this is a fill able form and we are trusting everyone to fill it out truthfully. No one will be checking up on you. So make sure you take as much credit for things as you can. This will be due April 1st. (No kidding) to your AG who will sign off and then send onto to me.

In regards to the conference you will start getting a lot of emails from me on this. I really want

to have a good turnout. All the details to register are on the District website. Any specific questions can be directed to Jeanne Friedel - Conference chair. jfriedel@sbcglobal.net. There are meal packages just for attendees who want to join their Rotarian friend/significant other/spouse for just meals. Rotarians must register for the full package though. And yes in case you wondering - there will be a special appearance from you know who.

Also attached to this email is the House of Friendship details. This is a wonderful opportunity to highlight projects from your clubs and maybe get some potential clubs to join you in financing your project. All those details are enclosed.

Thursday Night is the Foundation Dinner - April 30th.

THE ROTARY FOUNDATION DINNER: Paul Netzel, current Trustee of The Rotary Foundation and member of the Rotary Club of Los Angeles will be our featured speaker for this event. Important updates on TRF, including Polio Plus, how your donations are spent, will be discussed. Remember, The Rotary Foundation is the engine that drives the Rotary machine. It gives us the chance to see and fulfill the opportunities for service both within our community and internationally. We will be presenting the awards for Foundation at this event.

Friday - May 1- you have all day to spend in Disneyland and/or California Adventure. Don't worry all the measles will be gone by then. HA! We will start bright & early on Saturday May 2nd with the official conference & end Sunday by noon.

Membership and Foundation Giving continue to be my 2 top priorities. The District is doing a great job on both fronts, but we have to continue to encourage both. Polio giving for some reason is down in the District. So make sure you encourage that as well. Helen Abe & Budd Jones are ready to help with Membership and John Bottari with Foundation. Feel free to reach out to them if you need to have them come make a presentation or give an award or induct a member.

This Week's Program - Joe Wiegand as Theodore Roosevelt

Joe Wiegand, a veteran Rotarian, twenty-three years, who is transferring from his Monteagle-Sewanee, Tennessee Club to on near his new home in Solana Beach, CA, will be gifting our club with a program in character as Theodore Roosevelt. This will be a presentation you wont want to miss and a perfect time to bring a guest. More information on Joe Wiegand [here](#).

Next Week's Program - Casey Fromson, Caltrain

Casey Fromson is Manager of External Affairs at Caltrain. She will give us an update on Caltrain Modernization program which includes electrification of the Caltrain service between San Jose and SF. The final EIR for this project was approved in January and Caltrain has started testing the Advanced Signal System which is part of the project to run electric trains.

Greetings Fellow Rotarian Susan Howell,

Hopefully you didn't miss last week - President Theodore Roosevelt (Joe Wiegand) was undeniable one of the best rotary programs ever. We can't thank him enough for gifting our club with this program! We were also honored to have District Governor, Chris Gallagher with us and President Roosevelt gave her a TEDDY bear to add to her bear collection. (Fun fact - DG Gallagher has over 1,000 teddy bears in her collection!)

Here are some pictures of the program:

Chartered April 22, 1946

Greetings Fellow Rotarian Susan Howell,

As the Rotary Club of Redwood City goes into our busiest season of giving back to our local community as well as internationally. I thought it would be great to see what other volunteers felt the top 10 reason for giving back were. Below is an article from Create the Good.

Our Top 10 Reasons for Giving Back ([✔ http://createthegood.org/Top-10-Reasons-for-Giving-Back?campaign=Top%2010%20Reasons](http://createthegood.org/Top-10-Reasons-for-Giving-Back?campaign=Top%2010%20Reasons))

Some people volunteer to make new friends. Others give back because it just feels good. There are many reasons people volunteer, beyond the simple goodness of their hearts (though that's certainly an important one!). And oftentimes, it's a combination of factors that motivates a person to begin—and continue—volunteering.

We've ranked ten of the many motives people have for giving back in their communities and beyond. What's your biggest reason for volunteering?

- 1. Make an impact:** Looking to make a real, lasting difference in this world? Unlike other aspects of life you may not be able to control, volunteering allows you to choose where and how to make a difference. It's easy to get inspired with a cause you truly care about—and it's rewarding to see your direct impact.
- 2. Strengthen communities:** From cleaning up a street to reading to kids at the local library, you can enhance your own life by improving the areas where you work, live and play. A strong community with a high quality of life means safer, healthier lives for you and those around you.
- 3. Meet others:** Looking to broaden your network or find others with similar interests? Volunteering is a great outlet for meeting others. A local club or organization can put you face-to-face with people right in your community—plus, it's easy to bond over a shared passion. You can create lasting friendships with those you may not have otherwise met in your day-to-day grind.

4. **Improve your health:** Yes! Volunteering is actually  **good for you**. Studies have shown that volunteering makes people feel physically healthier, manage chronic health conditions and lower stress!
5. **Take the lead:** Often what a great effort needs most is a great leader. If you see a cause that needs a push or a group that needs a head—take the lead! Many find leadership rewarding in itself because of the opportunity to share their passion, value and inspiration with others. When you take a leadership role, you also have the ability shape the world around you in the ways you choose.
6. **Share expertise:** Everyone has a skill or experience from which someone else can benefit. If you aren't putting your talents to their best use in your everyday life (or even if you are!), volunteering can be a prime way to share. Get out in your community and put your skills—from teaching to sewing—toward helping others. You may be surprised at how your own abilities sharpen when you share your knowledge.
7. **Improve skills—or learn new ones:** Want to learn basic carpentry, improve your cooking or discover how something works? Classes and courses can come at a cost—but volunteering is free! Why not begin your learning at no charge with an organization or opportunity where you can learn by doing?
8. **Up your resume ante:** Considering a career shift? Want to try out a new field before taking the leap? A volunteering gig can be a perfect way to fill a knowledge or employment gap. It can also be a valuable addition to a resume if you're applying to a new job or graduate school program.
9. **Find new opportunities:** Doors open when you volunteer. You can widen your social network, discover an organization in your community or finally talk to the person you always see on the bus! Who knows: You may even stumble across your dream job by meeting your future colleague or next job reference.
10. **Because it just feels good:** We thought it was worth a mention!

This Week's Program - Greg Kuhl, Open Adoption

Our speaker this week is Greg Kuhl. He is a FC Rotarian, passionate about Interact and Youth Services, and when he heard that we had a captive audience for a ½ hour, he applied for it.

He has two adopted daughters thru open adoption. His oldest Megan is 27, Kaitlin is 24. They stay in touch with their Birth-mothers. Megan just attended her sister's HS graduation in Pennsylvania.

He has been on the Board of Directors of the largest Adoption agency in the country for 26 years, 23 of them as their President and has gone from a \$300,000 budget to \$7M annually. He is happy to tell his story as adoption will sooner or later touch everyone in our rotary club.
