Dear Redwood City Rotary,

The 151 low income seniors along with me would like to thank you for your very generous donation to our 6th Annual Fashion Show. It was a great success and sponsors like you helped to make it that way. Your kindness and generosity does not go unnoticed. This event represents almost 2/3s of our yearly budget and will brighten the days and enhance the lives of those living at Casa de Redwood.

Thank you again for your continued and valued support of Casa de Redwood and our community in Redwood City. Hope we can count on your continued support next year.

Sincerely,

Melody Daugherty

Dear Ms. Hughes and Friends:

Thank you very much for the February 17, 2009 donation of pots, pans, cookware, blankets and houseware to Shelter Network's Redwood Family House program. Your kindness makes a real difference in the lives of those in need.

Shelter Network's programs focus on providing support for families and single adults, like job training and housing search assistance, but we find it just as important to meet the day-to-day needs of the homeless men, women, and children that we serve. For these families and individuals, losing their home also meant losing many of the other basic necessities that many of us take for granted. Your contribution will help homeless families and individuals return to permanent homes of their own.

Thank you again for your kindness and commitment to helping those in need. Your support ensures their success.

Warmest regards,

Michele Jackson
Executive Director
